more info

Qualified Applicant

The Research Scholarship and Bursary Award are open to outstanding overseas graduate students (including oversea Chinese students, students from Mainland China, Hong Kong, and Macao) currently enrolled in master or doctoral courses in science and engineering-related fields at the designated departments/institutes and universities.

Application Procedure

All candidates will be recommended by individual departments/institutes, and the universities will compile and mail the list of recommended candidates and their hard-copy documents to CTCI Foundation.

Application Period

July 01 - September 15
